Rewards Program—Participate in the QE Rewards Program by using your QE Punch Card. If you don't have one, just ask at check-out.

Machine 101: Classes require basic sewing machine skills. Before attending any class at QE, you should be proficient in the basic operating of your sewing machine (i.e. winding the bobbin, threading, etc.). If not, contact Jerry before your class for a FREE quick 15-minute tutorial on how to operate your machine.

General Class Information:

Level 1 requires no previous knowledge of technique; **Level 2** requires rotary cutting skills; **Level 3** requires piecing experience. Kid's Class does not involve rotary cutting. Classes are filled on a "first come" basis. Class fees are due when registering. To receive store credit, you must cancel at least 48 hours before the class begins, otherwise, the fee is forfeited. Our teachers depend on class enrollment to prepare for class. Be sure to pick up and read the supply list if interested in a class. **Students receive a 10% discount on class supplies and fabric purchases.** Rental sewing machines are available for \$7/class. Please arrive 15 minutes early to set up and avoid class delays. Please do not bring children or guests to class with you. All classes are at least 2 hours and begin at 10:30am or 6:30pm, unless otherwise indicated. If you have an idea for a class, let Carol know. It only takes two to make a class, so find a friend to join you (and receive a discount for the class).
