**Thank you for your donation and support! The Quilt show will be in October, dates and place to be determined each year. The auction will be the first Saturday in November at Mountain View United Methodist Church in Forest on Rt. 221. All proceeds will benefit our local, Non-profit Hospice**

**Ricky's Road Home** If this project raises \$1500 or more by the Monday before the auction, we will send it to the person/place of your choice, rather than auction it off. It has been our experience that most of these Rainbow projects find their way "home". Ricky Pritt has been instrumental in helping that happen at the auction each year. Ricky is now home and we would like to keep him a part of the auction by providing this path to allow the projects to end up where they belong, there's no place like home.

Please send my project home to:

Address: \_\_\_\_\_

**Please share your inspiration for your project on a separate piece of paper. We are providing our bidders your stories to help them understand the love stitched into each project which makes them worth so much more. As we read these stories, it's surprising how the names can easily be changed to fit our own lives. This is how these quilts find their homes and we are assured they will be appreciated and your efforts rewarded. If you prefer, you may leave the names out altogether. Thank you in advance for your generosity with this donation and just as importantly, the inspiration behind it.**
