**CELEBRATING 25+ YEARS IN BUSINESS**

**WINTER 2019**

It's that time of year for resolutions. Why not make learning a new quilting skill or completing an unfinished quilting project one of your New Year's resolutions? As always, we are here to assist you in all your endeavors, so allow us to put our 25+ years of friendly, top-notch quilting business experience to use for you. Please note that due to the holidays we are having Open House on Sat., Jan. 5<sup>th</sup> instead of the usual first Thursday. Again, our shop hours are Monday through Friday, 10:00 am to 5:00 pm, and Saturday from 10:00 am to 3:00 pm.

**OPEN HOUSE**—All day on Sat., Jan 5<sup>th</sup> and, as usual, bring a donation for the Humane Society in order to receive 20% off your regularly priced purchases **during OPEN HOUSE** (a few exclusions apply.)

**HAPPY BIRTHDAY TO YOU!**—Shop **once** within 7 days of your birthday and receive 25% off bolted fabric purchases. Proof of birth date required. Discount applies only to fabric on bolts. (No punch card credit.)

**CLASSROOM USE**—There is no charge to use the classroom for a small group activity or to baste your quilts. Please call ahead to check when the classroom is available.

**KIDS' CLASS**—Check out the offerings for the popular Kids' Classes. They present wonderful opportunities for children to take pride in a finished product while learning a new skill that challenges them to be creative.

**RECOVERY BAGS**—Are you aware of a fantastic group of ladies who meet the **third** Thursday of each month at **QE** to make recovery bags for local cancer patients? They need your help. It isn't necessary to be able to sew in order to help out with this great cause. Anyone is welcome. QE provides machines & fabric.

**BAG LADY DAY**—On the **third Saturday** of each month, come join us with your **QE** bag and get 20% off! Ask for details. (No punch card.)

**SEWCIETY**—Back by popular demand. On the fourth Friday of the month, get together with other quilters for an open sewing session. Bring one of your projects, along with your own dinner.

**GUILD DISCOUNT**—Receive a 10% discount for your purchases by showing your sewing guild membership card and receive credit on your QE punch card.

**Rewards Program**—Participate in the QE Rewards Program by using your QE Punch Card. If you don't have one, just ask at check-out.

**Machine 101:** Classes require basic sewing skills. Before attending any class at QE, you should be proficient in the basic operating of your sewing machine (i.e. winding the bobbin, threading, etc.). If not, contact Jerry before the class for a FREE quick 15-minute tutorial on how to operate your machine.

### **General Class Information:**

**Level 1** requires no previous knowledge of technique; **Level 2** requires rotary cutting skills; **Level 3** requires piecing experience. Kids' Class does not involve rotary cutting. Classes are filled on a "first come" basis. Class fees are due when registering. To receive store credit, you must cancel at least 48 hours before the class begins, otherwise the fee is forfeited. Our teachers depend on class enrollment to prepare for class. Be sure to pick up and read the supply list if interested in a class. **Students receive a 10% discount on class supplies and fabric purchases.** Rental sewing machines are available for \$7/class. Please arrive 15 minutes early to set up and avoid class delays. Please do not bring children or guests to class with you. All classes are 2 hours and begin at 10:30am or 6:30pm, unless otherwise indicated. If you have an idea for a class, let Carol know. It only takes two to make a class, so find a friend to join you (and receive a discount for the class).

### **CLASS DESCRIPTIONS:**

**BASIC BARGELLO**—Create a quilt that adapts bargello needlepoint patterns to fabric.

Construction is easy—cutting strips, sewing them together, then cutting the strip sets to create your pattern.

**COLLAGE**—Missy will introduce the techniques needed to create the newest project in appliqué with your choice of pattern and fabrics. This is a popular project so sign up quickly before the class fills.

**DRUNKARDS PATH**—Learn a challenging new way to piece curves (use a template) and create a pretty wall hanging or quilt.

**ENGLISH PAPER PIECING**—Lois is teaching how to mark, cut, baste, and sew an English paper piecing block for those who like handwork.

Caution—this can become addictive.

**KIDS' CLASS**—Miss Pat's students will make a lined purse, a hair scrunchy, and a small fabric storage tray.

**MACHINE EMBROIDERY CLASS**—The class meets the second Saturday of the month. In January, learn to make a placemat, coaster, and mug rug. Stay tuned for February and March.

**MACHINE PIECING**—This is "the quilting class" for anyone who wants to learn to quilt. Lois will teach you how to use the tools that make the effort easier and more accurate, as well as what

you need to know in order to make the fabrics you like become a beautiful quilt. You will soon be piecing with confidence and be ready for **Level 2** classes.

**MACHINE QUILTING**—Joan can teach you how to free motion quilt using your own sewing machine. The technique is easier than most people think, and the class will give you the experience you need.

**MIND-BLOWING BINDING**—Once you learn this method for binding a quilt, according to Lois, you will never worry about binding again.

**MINI STAR TABLE RUNNER**—This is a Judy Niemeyer paper piecing project. You will learn her technique for paper piecing and end up with a small table runner.

**POPPINS BAG**—While this is a large, roomy bag, it won't tote all the items that its namesake carried. (Remember the original movie?) This is a popular project and a stylish bag.

**STACK AND WHACK**—A favorite classic quilt project. One fabric makes numerous different blocks, creating a beautifully unique quilt.

**WIRE TOTE**—This is another really great tote. It comes with a rigid frame, in three different sizes, and the covers can be removed (for washing or seasonal changes). In addition, it is sturdy due to the construction and quilting.
